

Taxiing Routes Chart
(RWY02R/03 Arrival)

Remarks:
1.Controllers shall direct arriving aircraft to join other taxiways at intermediate nodes or endpoints of standard taxi routes based on their parking stands.
2.When controllers instruct an aircraft to join another taxiway at an intermediate node of the standard taxi route, it indicates the cancellation of the remaining portion of the previously issued standard taxi route.

Arrival GREEN3,5			
LEGEND			
	All time construction area	ID	Description
	Temporary disabled area	Runway	
GREEN 3	Y-B1-B-T4		RWY02R
GREEN 5	W-T65-(turn right to join)Q-B2-B-T4		RWY03

Changes:Adjust construction area and APN(East one).
